

# Autoclavable Cleanroom Shoe

Anatomic and orthopedic Anno clogs have been designed with comfort in mind. When wearing Thor, a effective reduction in the overall muscle effort compared to standing barefoot is obtained.

Designed with foot bed nubs reduce fatigue and provide comfortable relief to the feet.

Designed with foot bed nubs and lateral airports keep cool & dry.

# DIYA TRADERS

## *Filtration Made Simple*

### Design Concept

- Trunk shaped air holes prevent spilled fluids entering inside the clogs.
- Non flammable antistatic and anti-microbial specific material.
- Due to use TPE material, 3 years guarantee against manufacturing defects.
- The using of TPE material guarantees extra slip resistance and longer duarble use.

ÿ Size: 37-38, 39-40, 41-42, 43-44, 45-46

### Use and Maintenance

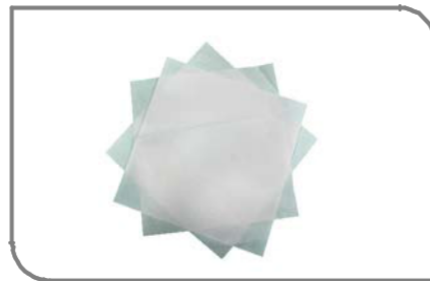

- Rinse with water and soap under the tap. Wipe with a cloth or dry in room temperature.
- Machine washable. Dried by drier receiver or dry in room temperature.
- The clog can be sterilized with liquid disinfecting solutions or autoclave at a maximum temperature of 121-135° C for 30 min.
